

Handout 1: Genesis Lesson 6

The mass extinction event of the Flood narrative begins the major biblical theme of Creation → Judgment → Destruction → Re-creation and the preservation of the faithful remnant: *Noah was found perfectly upright, in the time of retribution he became the heir; because of him a remnant was preserved for the earth at the coming of the Flood. Everlasting covenants were made with him that never again should every living creature perish by flood* (Sir 44:17-18/19).

Dimensions of the Ark using a 17.5 cubit: the Ark would have measured 437.5 feet long by 72.92 feet wide, by 43.75 feet high. Adding to the calculations the three decks (Gen 6:16), yields a total deck area of approximately 95,700 square feet and a total volume of 1,396,000 cubic feet. The gross tonnage of the Ark has been calculated at 13,960 tons (*The Genesis Flood*, J. Whitcomb and H. Morris, Baker Books, page 10). The modern Carnival cruise ship the Paradise has 10 decks and a tonnage of 70,367. Using the longer 7-palm cubit measurement of Ezekiel, the Ark would have been 510 feet long by 85 feet wide by 51 feet high.

Handout 2: Genesis Lesson 6

The 7 phases of the re-creation after the Flood event can be compared to the first Creation event. See if you can find certain key words (or similar words and ideas) repeated in the 7 phase post-Flood event in Genesis 8:1-9:7 that are also found in the 6 days of the Creation event in Genesis 1:2-30.

Answer: key words are in bold

7 Phase Post-flood Re-creation Event in Genesis 8:1b-9:7	Creation Event in Genesis 1:2-30
Phase 1: <i>God sent a wind across the earth and the waters began to subside. The springs of the deep (tehom) and the sluices of heaven were stopped up and the heavy rain from heaven was held back (8:1b-2)</i>	Day 1: <i>Now the earth was a formless void, there was darkness over the deep (tehom) with a divine wind sweeping over the waters (1:1-2).</i>
Phase 2: <i>and the sluices of heaven were stopped up and the heavy rain from heaven was held back (8:2b)</i>	Day 2: <i>...through the middle of the waters to divide the waters in two. [...]. God made the vault, and it divided the waters under the vault from the waters above the vault. God called the vault 'heaven'(1:6-8)</i>
Phase 3: <i>... the waters ebbed from the earth. [...] the ark came to rest on the mountains of Ararat. [...] the mountain tops appeared (8:3-5).</i>	Day 3: <i>God said let the waters under heaven come together into a single mass, and let dry land appear. [...] God called the dry land earth... (1:9).</i>
Phase 4: <i>...Noah opened the window ... he released a raven... He then released a dove... After waiting seven days he released the dove, and now it returned to him no more (8:6-12).</i>	Day 5: <i>God said, 'Let the waters be alive with a swarm of living creatures, and let birds wing their way above the earth ... let the birds multiply on land (1:20-22).</i>
Phase 5: <i>Bring out all the animals with you, all living things (creatures), the birds, the cattle and all the creeping things that creep (crawls) along the ground, for them to swarm on earth, for them to breed and multiply on earth (8:17-19).</i>	Day 6: <i>God said, 'Let the earth produce every kind of living creature in its own species: cattle, creeping things and wild animals of all kinds.' God made wild animals in their own species, and cattle in theirs, and every creature that crawls along the earth in its own species (1:24-25).</i>
Phase 6: <i>God blessed Noah and his sons and said to them, 'Breed, multiply and fill the earth. [...] all the birds of heaven, of everything that moves on land and all the fish of the sea; they are placed in your hands. Every living thing that moves will be yours to eat, no less than the foliage of the plants. [...]. Be fruitful then and multiply, teem over the earth and subdue it! (9:1-7).</i>	Day 6: <i>let them be masters of the fish of the sea, the birds of heaven, the cattle and all wild animals (1:26). God blessed them, saying to them, 'Be fruitful, multiply, fill the earth and subdue it (1:28). I give all the foliage of the plants as their food (Gen 1:29).</i>
Phase 7: <i>Come out of the ark, you, your wife, your sons, and your sons' wives (8:16). So Noah came out with his sons, his wife, and his sons' wives (8:18). [...] for in the image of God man was created (9:6).</i>	Day 6: <i>God created man in the image of himself, in the image of God he created him, male and female he created them (1:27).</i>
